

Additional Terms and Conditions during Covid-19

~

Weddings & Special Events

Dixon Park Surf Club follows the guidance of the NSW government and abides by the restrictions that are put in place from time to time. The Club is obliged to register a Safety Plan for its operation.

The current level of restrictions applies to our Venue from the 8/11/2021 and may differ to those that applied when you booked your event.

Current requirements include:

- Maximum 100 guests inside the Venue and may be standing but must practice social distancing
- Maximum 100 guests outside on the balcony and may be standing
- Maximum numbers are at Board discretion and may change
- Maintain physical distancing always (including in the bathroom).
- A Club Covid Marshal may be required onsite to monitor compliance with the restrictions.

We will require the Client to:

- Guests will be required to check in before entering the venue and showing this to a designated venue staff member.
- Guests are required to show proof of double vaccination before entering the venue
- Provide a floor plan for seating purposes two weeks prior to the event.
- Be proactive in supporting the Covid Marshal if non-compliance occurs by a guest/s.
- Pay the additional fee of \$50/hr for the Covid Marshal during the entire event, if required (confirm with your Venue Manager.)

Catering

- As part of our Safety Plan during the current restrictions, catering must be done by Professional Caterers registered with the NSW Government for Covid operations.
- The Caterer must be nominated at least one week prior to the event to confirm their Covid Safety Plan with the Venue Manager.
- Caterers must provide a dedicated wait person/s to serve food, move between tables and clean during and after the event.
- Self-catering is not permitted during the current period of increased restrictions.

The restrictions and requirements outlined above will be strictly enforced by the venue staff at the event

The Club offers your money back if your event is compromised by Covid restrictions that have been changed post booking. We are asking you to review your event under the current restrictions and decide if you wish to proceed.

If you wish to proceed, you will be required to pay the deposit within 8 weeks of the event to secure your date, from which time your event will fall under our normal cancellation policy.

Of course, if more stringent restrictions are imposed by Government, you will be contacted again regarding your event.

The Club apologises for these additional requirements, but the restrictions and a strong sense of Community leaves us no option.
